Ferndale, 2:30pm: Meet at Affirmations, 290 W. Nine Mile Road.

You are invited to walk or bike from city to city or meet up with the groups by car. Inside|Out brings reproductions of great treasures from the Detroit Institute of Arts into your community. Discover them all around town. Visit the Facebook page [facebook.com/dia.insideout](https://www.facebook.com/dia.insideout) for information on programs.

City Encourages Residents to Adhere to Underground Sprinkler Restrictions During the Upcoming Hot June Weekends

As everyone readies themselves for the summer lawn maintenance

Breaking and Entries

Midas, 1500 W Maple, 7/20/12, 12:01am-3:30am: Manager reports that when he arrived for work in the morning he found that someone had broken into the business via the front door. The culprit entered the business and attempted to pry open the cash register but was unsuccessful.

Jake's Automotive, 1487 Premier, 7/20/12, 12:01 am-2:30 am: Business manager reports that three entry doors were damaged during an unsuccessful attempt to break into the business.

Crash Investigations

Walmart, 2001 W Maple, 7/20/12, 9:14 pm: Troy Officers were dispatched to the location when a woman reported that her car had been struck in the parking lot and she believed the driver of the other vehicle was intoxicated. When officers arrived, they learned that the other driver had gone into the store and was hiding in the bathroom. Eventually, the man came out and spoke with officers. Officers learned that the 19 year-old was not intoxicated but that he

routine, Troy residents and business owners are asked to heed the Troy ordinance that limits the use of outdoor automatic underground sprinkler systems to between the hours of 11 pm and 5 am daily. Doing so will help to keep water costs lower.

“This is vitally important as we approach the weekend with estimated temperatures nearing the 90’s,” Superintendent of Water & Sewer Rick Shepler said. “We have to lower our usage especially during the peak hours of 5 am and 8 am in order to reduce our water rates”

For more information about the Outdoor Underground Sprinkler Restrictions, visit the City's Web site at www.troymi.gov. To see if your sprinkler system is affected by these restrictions, call 248.524.3370 or e-mail WaterDepartment@troymi.gov.

did not have a driver's license. He told the officers his name and date of birth; his mother was on the scene and confirmed the information. He was issued a citation for "Michigan Operators License Never Acquired" and released. Back at the police station, officers learned that the man had provided a false name. Under his real name he had a suspended driver's license and three outstanding warrants for his arrest. Officers went to the 19 year-olds Rochester Hills home where they arrested him, and issued his mother, a 39 year-old Rochester Hills resident, a citation for "Hinder and Obstructing a Police Officer". The 19 year-old was charged with "Driving While License Suspended", "Hinder and Obstruct a Police Officer" and three outstanding warrants (2 felony/1 misdemeanor).

John R & Big Beaver, 7/19/12, 8:12 pm: Troy Officers were dispatched to a hit and run injury accident. While on their way to the scene, two Officers observed a vehicle that matched the description of the hit and run vehicle. The officers stopped the vehicle, and following an investigation, cited a 16 year-old Troy male with "Failing to Stop and Identify at an Accident", "Failure to Stop in Assured Clear Distance", and "Violation of Graduated Driver

Larcenies from Autos / Car Theft

Things that can be done to combat auto theft and larcenies from autos include:

K-2/SPICE

On Sunday, July 1, 2012 the new state law regarding the manufacturing, delivery, or possession of K-2 went into effect. The Troy Police Department's Special Investigation Unit, consisting of Officers from Troy, Auburn Hills, and Bloomfield Township conducted undercover compliance checks at 5 establishments in each city.

Undercover officers attempted to purchase banned substances. Many of the establishments previously had displays for the sale of the now illegal substances. Officers did not find, nor were they able to purchase, any of the illegal substances.

Personal contact was made with either the owner or the clerk on the premises after the undercover officer left to inform them of the compliance check.

In June, the Troy Police Department had visited 42 establishments in the city and obtained pledges from them not to sell K-2 or other synthetic drug products. Each of them were given a placard from the Troy Police Department to post in their window acknowledging their pledge to not sell the product.

- Installing a car alarm.
- Using steering-wheel locking applications like the club etc.
- Applications of a hidden kill switch to the ignition system.
- Park in a well lit well traveled area if possible.
- Always maintain security of vehicle keys.
- **Do not leave anything of value in your vehicle in plain view.**
- Always lock your vehicle doors.
- Never leave a vehicle unattended while running.
- There is a trend of things being stolen from vehicles in the parking lots of fitness centers and fun

The effects on persons using these substances have shown to be devastating. We will continue to be proactive in our response to this destructive product.

The Troy Police Department would like to publicly recognize these establishments for their commitment not to sell K2 or any other synthetic designer drugs. We offer our thanks to the following businesses:

Online Police Reporting Now Available in Troy

The Troy Police Department has implemented an online police incident reporting system. A significant goal in this effort is to enhance our overall level of service by providing citizens the option and ability to file some of the more routine types of police reports conveniently online. Another goal is to optimize available time for police officers on patrol to more quickly respond to priority calls for service, detect and arrest individuals committing crimes, address traffic problems, and engage in other problem solving activities that enhance public safety. Often calls that are of a minor nature or are simply a request for a routine police report will find citizens waiting for what can be extended periods of time for a patrol officer to arrive due to the need to prioritize responses to more serious calls for service. Requiring citizens to come to the police department in person to file these types of reports can also result in the inconvenience of waiting in long lines. In the face of fewer officers on patrol, it is anticipated that the effective use of this

Identity theft continues to be the fastest growing crime in the world, and the city of Troy is no exception. We continually get reports of identity theft and fraud on a regular basis.

While it may not be totally avoidable, detecting the early signs of identity theft is one of the best ways to avoid extensive losses and damage to your credit history.

If your wallet/purse etc. gets stolen, cancel all stolen credit and ATM cards immediately.

Checking your credit history regularly is a great way to keep apprised on the status of your credit.

system could potentially reduce overall response time associated with more serious incidents, as well as increase available time for officers on patrol to engage in proactive police work.

Generally, routine incidents and minor crimes cannot be assigned for investigation due to the need to use investigative resources for more serious offenses. Banks, insurance companies, and cell phone carriers still require a police report to respond to identity thefts, process claims, or intervene in situations of harassment involving cell phone technology. This system will provide citizens with that resource conveniently and online.

Online reporting can be accessed in three ways:

- Through computer terminals located in the Troy Police Department lobby
- Through the City of Troy / Police Department website home page
- Through the City of Troy Police Department's Facebook page

City of Troy Remains the Safest City in Michigan

On December 8, 2011, CQ Press released City Crime Rankings 2011-2012: Crime in Metropolitan America. CQ Press uses six crime categories to establish crime rate rankings for all cities with a population of at least 75,000 that report crime data to the FBI. The crime categories include: murder, rape, robbery, aggravated assault, burglary and motor vehicle theft. The rankings in the CQ report are based upon data reported to the FBI for 2010.

According to the CQ report, Troy has the lowest crime rate ranking in Michigan for cities with a population of 75,000 or more. Nationwide, Troy ranked 19th for cities with a population of 75,000 or more. Troy was ranked as the safest city in Michigan 10 of the last 14 ranking periods, including the current one. Troy has achieved "Safest City" rankings as high as 5th and 6th in the United States, in 2006 and 2005, respectively. In fact, in

other than 2009, when it ranked 38th overall, Troy has consistently ranked among the top 25 safest cities in the United States with populations over 75,000 since 1998.

The crime categories used by the CQ Press include all FBI Part 1 crimes, except larceny and arson. The FBI defines Part I crimes as the more serious crimes that occur in a community.

The number of Part 1 crimes reported to the Troy Police Department from 2000 through 2010 are as follows:

2000:2387	2004:1979	2008:1950
2001:2316	2005:2044	2009:1957
2002:2061	2006:2090	2010:1783
2003:2107	2007:1971	

Incidents of violent crime, which include murder, rape, robbery and aggravated assault, are extremely low. In 2010, there were only 53 violent crimes reported to the Troy Police Department, which represents less than 3.0% of the total Part 1 crime in Troy.

Robberies: 9
Aggravated Assault: 33

It should be noted that although 10 acts of criminal sexual conduct that occurred in Troy are classified as “rapes” in the FBI statistics, these types of assaults in Troy do not usually involve a victim being attacked by a stranger. There were no forcible rapes involving a stranger assaulting an unknown victim in 2010. Acts of criminal sexual conduct in Troy generally relate to incidents where one of the actors is a minor, complaints where incest or molestation by family members are alleged, or complaints of non-consensual acts between individuals who are acquainted with one another.

The Troy Police Department responded to a total of 35,018 incidents of all types in 2010. The Troy Dispatch center received approximately 173,000 incoming telephone calls in 2010, of which 40,335 were 911 calls. The department hosted 236 crime prevention and other safety programs in 2010, which were attended by 14,632 citizens. Additional workload statistics for 2010 are noted below:

This “Safest City” ranking represents an ongoing and significant achievement not only for the Troy Police Department, but for the community in general. It is a tribute to the residents; an excellent school system; strong prevention programs such as those provided by the Troy Community Coalition, Boys and Girls Club, Troy Youth Assistance, and many others; an effective District Court; and an active business community. The current ranking for the lowest crime rate in Michigan, reinforces the high quality of life that is offered in Troy. The Troy Police Department is dedicated to continuing to work with the community we serve, as well as City Management and City Government to assure this city remains a safe and attractive place to live, raise families, work, and recreate.

In commenting on the latest ranking, Troy Police Chief Gary Mayer spoke about the dedication and quality of the employees of the Troy Police Department. He noted the commitment to public safety this community has consistently sought to maintain. He pointed out the significant number of community volunteers that have

come forward to act as our eyes and ears in conjunction with the “Citizens on Patrol Program,” which was formed in the face of recent staffing cuts. The Chief stated, “The Troy Police Department is made up of professional men and women who work hard to identify and solve problems. They, like so many in our community, have had to work through some significant challenges in terms of the current economic climate. They have been called upon to make sacrifices, yet they continue to provide this community with a level of law enforcement service that I am convinced is second to none. We have become a smaller, but more streamlined organization. We value the resources we have been provided and are dedicated to utilizing those resources to deliver the best law enforcement service possible.”

City Manager Mr. John Szerlag also reinforced these latest rankings as a significant accomplishment. Mr. Szerlag stated, “The community has consistently identified public safety as a priority. The on-going economic challenges required significant cost cutting efforts in every area of service delivery, including public safety. Nonetheless, we have worked hard to keep Troy safe. This latest ranking reinforces those efforts. It further underscores the excellence and professionalism of the City’s employees who remain dedicated to

The City of Troy has a long history of fiscal transparency, evidenced by the information contained on its comprehensive website, its community conversations and best practices of cost reduction and fiscal responsibility. City Management engaged in a massive restructuring initiative to take control of its future to assure that Troy would deliver municipal services in the most cost efficient and effective manner.

When the State of Michigan introduced the Economic Vitality Incentive Program (EVIP), it was easily determined that Troy could meet the new state standards. The Performance Dashboards proposed by Governor Rick Snyder would include those financial and operating measures that are most important to the government and its citizens. The Dashboards provide a quick assessment of a community's performance in five key areas that affect families today: economic strength; health and education; value for government; quality of life; and public safety.

"Troy has always been a very lean operation with a history of being fiscally responsible," City Manager John Szerlag said. "This Dashboard gives us one more way to provide transparency, accountability and a

This score also included 13 direct hits on the center "x." The match was held at RV Grey Pistol Range in Jackson, Michigan on September 9, 2011 and the Troy team competed in the highest classification for comparative size departments-Class "A." All teams had to contend with a heavy rainfall that made the shooting more difficult, though it did not stop the Troy team's ability to garner their 9th consecutive title. The members of the team included: Sergeants Robert Wolfe and Frank Nastasi; Officers Milton Stansbury, Russell Bragg, Craig Fitzpatrick, Antonio Cascioli, Greg Stopczynski, and Peter Minton.

Tony Spagnola Memorial Golf Classic Benefits Troy School Students

Troy, MI – The Troy Foundation for Educational Excellence is breaking with tradition and changing the name of the annual golf outing. The new name is the Tony Spagnola Memorial Golf Classic after the education advocate and champion who died unexpectedly last summer. Spagnola served on the Troy District School Board for many years. As a member of the Troy Foundation, he sought ways to support fundraising and increase the number of grants available to educators. When the idea of the golf outing was first proposed, Spagnola saw a way to combine two of his favorite causes: supporting the
